

Burglary Information

On Tuesday, February 26, 2008 at 11 am the Greenburgh Police Dept. made an arrest for a burglary "in progress" in the Scarsdale section of Town. The suspect fled the scene and got into a limousine. The limousine was hired from a Manhattan hotel and the driver was not aware of the burglary.

On Thursday, February 28, 2008 at approximately 3:30 pm a residential burglary occurred in the Town of Mt. Pleasant. A dark colored sedan was observed in the driveway of the home.

The possibility exists that limousines are being hired to transport burglary suspects into residential areas to commit burglaries.

Please notify the Greenburgh Police ASAP 682-5300 if you observe a suspicious limousine or black sedan in you neighborhood.

Please pass this on to your neighbors and Neighborhood Watch Members.

Thank you and stay safe!
